My dear Syamdhar,

Sub:- Free Pass issue of - regarding.  
Ref:- Nil.

.....

Confidential enquiries made by the leave doubt in my mind that adequate checking is not being exercised by Range Staff while issuing Free Pass for Jungle woods, particularly Bombay. If this is true, it is likely to cause smuggling of wood from our forests since they are honey combed by patta lands in many places.

I may therefore, advise you to get hold of few files and have a check occasionally, to ensure correctness of verification. This will have a Psychological effect on the staff as well. Discrepancies if any found out should be suitably dealt with. So also the period allowed in the pass should be the minimum.

Kindly acknowledged receipt of this latter.

Yours Sincerely,

(T.K. RAGHAVAN NAIR)

To

Sri. Syam Dhar, I.F.S.,  
Divisional Forest Officer,  
Trichur.
