Ref: Your letter No.ID-3295/66 dated 23-4-1967

The existence of large number of acceptance as explained above shows that the agreement was not at all scrutinized in the Conservator of Office. In this office, Circular No.11/62 communicated to all Conservators etc. in No.D2-2-78/58 dated 12-4-1962. It has already been ordered that agreements executed by the Divisional Forest Officers, should be scrutinized carefully and defects if any rectified immediately by the Conservators. It is very unsatisfactory that proper cost and attention have not been said in the Conservators office to this important work. Finance get the explanation of these concerned for negligence that regard and forwarded with your remarks.

Extract forwarded to all other Conservators for information. The necessity for proper scrutiny of agreements executed by Divisional Forest Officers on other agents emphasized and all Conservators and requested to see that it is done before countersigned the agreements.
