

Office of the Conservator of Forests
Central Circle, Trichur

Copy of Chief Conservator's No.P1-.24535/76 dated 4.5.1976 (Circular No.31/76)

Circular No. 31/76

Sub:- Forest Department – Estimate Sanction – Provision for lead.

It has been brought to my notice by the Conservator of Forests, Evaluation that the lead provide for the transport of seedlings to planting site in some of the estimates are very much in excess of the actual requirements. Therefore it is hereby ordered that in future all the Divisional forest officers shall inspect the area and satisfy themselves the requirements of lead and then furnish a certificate to the effect that the lead provided in the estimates is the average lead required.
