Sub:- Forests- Parambikulam Range- auction sale of tree growth in the 35 block – notification- regarding

In G.M.No. 46564/F4/64 Ad dated 14-1-1965 Government have observed that any variation made in the terms in the sale or tender notice or agreement is a vital change, and as such it has to be distinguished from what is contemplated in Art.214 of the T.C. Forest Code. Which only provides guidance in the executions, of agreements with contractors, to a make suitable change in order to suit local conditions, in the sample form prescribed. Government have emphatically declared that any modification to the prescribed sale notice conditions when one published has to be done either with the sanction of the Government to suit a special; case, or by the Government suo motto. Therefore the sale notices have to be very carefully drawn up for publication. It is hereby ordered, That all officers who are responsible for publishing sale notice, and executing agreement, strictly observe the Government orders not to modify the terms and conditions after publication.
