

Copy of Circular No.33/74 on C1-36210/73 dt.11-9-74 from the Chief Conservator of Forests to all Conservators of Forests & DFOs.

Sub:- Mahazar loss and Thondi Value – Assessment of Procedure – orders.

In Circular No.31/73 (C1-36210-73 dt.3-8-73), it was directed that the Value of the thondy timber involved in Forest cases should be calculated at the current schedule rate. As the seignior age rate has since been revised correlating it with scheduled rate it is hereby ordered that the value of thondy timber and other produce need be valued at the current seigniorage rate hereafter. This office circular No.11/73 stands modified to that extent.
