

GOVERNMENT OF KERALA

Sub:- Satisfaction of court decrees – Amount deposited in court – Intimation to the concerned Government Pleaders instructions issued.

Ref:- Circular No.15392-A1-70/Law dated 15-12-1970.

It has been brought to the notice of Government that the concerned officers fail to inform the Government Pleaders regarding the deposit of amount in Court including issuance of 'Demand' form cheques. Without such information Govt. Pleaders may not be able to inform the parties regarding the deposit of amount in Court. Failure to do so results in the liability for payment of interest by the state till notice of the deposit is given to the party.

To avoid such extra expenditure, Government wish to impress on all District collectors and other Officers concerned that simultaneously with the deposit of amounts/cheques in Court, the fact of such deposit should be intimated to the concerned Government Pleaders or Additional Government Pleaders as the case may be.
