NON RESIDENT KERALITES' AFFAIRS (B) DEPARTMENT

G.O.(R)32/2003/NORKA

Thiruvananthapuram, Dated.04.04.2005

ORDER

In the Second Global NRK Meet-'Samavayam 2002' held at Dingden, Germany, under the auspices of NORKA Department, it was decided to formulate and implement such schemes that would facilitate both the welfare of NRKs and development of the State. 'My Village My Dream' is one such project that was put forth in the above meet.

This is an intensive project that would ensure the overall development of the State with the assistance and participation of NRKs. NRKs could participate in the scheme either jointly or individually. The project envisages the arduous task of adopting any specific village in Kerala so as to develop the public amenities like the Government Schools, Government hospitals, Roads or public tanks/ponds there.

ROOTS-NRK Development Initiative will identify those amenities that are essential for the selected village. The amount that is needed for the development of these amenities would be provided by NRKs or NRK Associations to 'ROOTS' who in turn would implement the project.

Government have examined the matter in detail and are pleased to order the following.

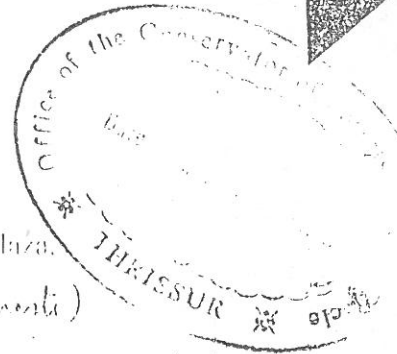

1. ROOTS- NRK Development Initiative, a Section 25 Company formed by Government of Kerala will be the agency to implement the scheme 'My village My Dream' which is a project fully funded by NRKs.
2. ROOTS- NRK Development Initiative will prepare the detailed project report and detailed action plan for each scheme under this project and submit the same to Government for approval after identifying the funding Individuals/Agency/Association for the scheme.

3. ROOTS will liaise with the concerned Heads of Departments for the smooth implementation of the project and for getting the necessary assistance from them
4. To assess the progress of the implementation of the project an Assessment Committee will be constituted with Hon'ble Minister(I&PA) as the Chairman.
