No.C4-1536/70(R.Dis) dated 29-01-1970 and C4-21077/70/dated 24-10-70 in respect of publication of notification advertisements of sale of timber at Government timber depots are not strictly followed by some of the officers and even confirmations of sales are accorded without examining the issue. A copy of Government letter No.15386/F5/71/AD dated 1-9-71 now received on the subject is also forwarded separately where it has been specified that notifications should be sent to the Press before one month from date of event. All the officers are directed to be more vigilant in the publication of auction sale notification which goes a long way to get the maximum value for the stuff sold and lack of publicity often brings in heavy loss. Before conducting the depot auction the Divisional Forest Officers should made sure that the notifications have appeared in Gazette and dailies in proper form in the proper time.
