Forests-Sandal wood- Dryage marging of deficit fixed and officers given powers to write off deficit in weight.

Read: Letter No. A4-23939/64 dated 5.6.1965 from the Chief Conservator of Forests.

ORDER

Government have examined the proposals of the Chief Conservator of Forests regarding delegation of powers to him and the Conservator of Forests to write off deficit in weight of sandal wood due to drayage.

They consider that the drayage which may be written off by the Conservator of Forests should be fixed at 1% and by the Chief Conservator of Forests at 2% and they order accordingly.

By order of the Governor

M.K. Bhaskaran
Assistant Secretary.
