**ORDER**

In the G.O. read first paper above, Government have issued orders for booking air passages on credit basis with the Indian Airlines Corporation for journeys of officers of the secretariat on official purposes. It has been ordered therein that on receipt of invoices from the Indian Airlines Corporation for the air journeys made by the officers, they will be verified by the Public (Accounts) Department by references to the officers concerned and after confirming that the invoices are in order they will be paid. The Indian Airlines Corporation has since pointed out that if the invoices are to be paid after verification the payment would be delayed since return passages in large number of cases in respect of credit arrangements are always left open and that in certain cases, it is possible that the return journeys are not made in a month or two. Besides, in the case of cancellation there is always bound to be some time lag between the date of cancellation and the receipt of credit note by the party. The India Airlines corporation has therefore requested that the invoices forwarded by them on account of the air journeys conducted by the officers may be settled immediately and that any refund due on cancellation taken up later.

Government have considered the request of the Indian Airlines Corporation and are pleased to order that the invoices forwarded by the Indian Airlines Corporation in respect of air journeys of officers will be settled immediately on their receipt from the Corporation and that any refund due on cancellation will be taken up later. The orders issued in the G.O. cited first are modified to this extent.
