ORDER

According to rule 142(A) of K.S.R. Part III, Pension shall be sanctioned.

- (a) In any case, by the Government.
- (b) In the case of Gazette and non-gazetted officers by the Heads of Department and by other authorities competent to fill the appointment vacated and by retiring officer. At present, pension of all gazetted officer is sanctioned by the Government in the Department. The centralization of authority in this regard leads to some delay in the settlement of pension claims. Now that the Heads of Department have been empowered to sanction appointment up to and including the lowest gazetted post in each category of posts in the concerned Department other than that of the District Officer-Vide G.O. cited, the Government consider that the present practice should change so as to facilities speedy disposal of pension cases. They accordingly direct that hereafter the Heads of Department may sanction the pension of those gazetted officers whom they are competent to appoint.
