## ORDER

In G.O MS.No404, Public (Services) Department dated 16-5-1961, orders have been issued to the effect that unqualified persons who were previously exempted from the Minimum general educational Qualification (of the S.S.L.C. Standard) for holding posts of Clerks and now working in different departments including those who have already been promoted and are continuing in the Upper Division as well as those temporarily under reversion from the Upper Division to the Lower Division for want of vacancies or for other reasons, should sit for a qualifying test to be conducted by the Public Service commission and that in case they secure a certain percentage of marks, they may be regarded as possessing the minimum general educational qualification of the S.S.L.C. Standard for purposes of promotion to the Upper Division and higher grades or continuance in the Upper division, as the case may be. With reference to a representation received in his regard, the Government have examined whether the unqualified persons appointed as clerks by virtue of the concession granted in G.P. PR4-27970/22 dt.5-7-1947 are not to be deemed to possess the minimum general educational qualification (of the S.S.L.C. standard) for purposes of promotion . They are pleased to order that unqualified persons appointed as clerks pursuant to G.P. PR4-27970/22 dated 5-7-1947 will be treated on a par with those possessing the minimum general educational qualification for purposes of promotion and that they need not sit for the test contemplated in G.O.MS.No. 444 Public (Services) Department dated 16-5-1961 for such promotion.
