Read;- G.O.MS.No. 357/Public (services) dated 10-3-59.

ORDER

In the G.O. cited, it had been ordered that test qualification need be insisted upon for promotion only and that it need not be insisted upon for drawing increments in the Lower Division scales of pay in the clerical cadre. It has also been ordered that the existing rules will stand modified to this extension. A point for clarification has been sought whether the intention behind the Government proceedings is to dispense with test qualifications for drawal of increments only, or whether the intention is to dispense with test qualifications both for drawal of increments and confirmation in the Lower Division clerical cadre. The Government wish to clarify that the intention of the above Government proceedings is only to dispense with test qualifications in the Lower division clerical cadre for purposes of increment, and not for confirmation.

By order etc.
