(2) Letter No.16-B (24) E-11 (A)/59dated 27-10-1959 from the Government of India, Ministry of Finance (Department of Expenditure).

### ORDER

According to the existing rules in the Travancore Financial and Account Code governing the grant of motor car advance, a Government Servant should purchase a car and mortgage it to Government within one month from the date on which he draws the advance- vide Article 631. Travancore Financial and Account Code. The Heads of Departments should ensure that the loanee is allowed to draw the advance only when he is sure that the vehicle is available in the market so that he should be able to comply with the above mentioned provisions of Article 631 of Travancore Financial and Account Code.

2. In view of the restricted supply position of motor vehicles which has created some genuine problems for Government officers who take advances for the purchase of the same, the following procedure is laid down in order to ensure compliance with the relevant provisions in the Travancore Financial and Account Code.

(i) Furnishing of security, at the time of registration as prospective purchaser as required under the Motor Car (Distribution and sales) control order of 1959, will be the responsibility of the Officer concerned: no advance will be given to him from Government funds in this respect.

(ii) The advance may be applied for well in time and sanctioned by the competent authority as soon as possible. The advance may however be drawn only after the officer concerned has received a written assurance from the dealer that the supply is likely to be available within a month and a certificate to this effect is recorded on the bill for the advance.

(iii) In the event of any delay in supply despite the written assurance referred to at (ii) above, the officer concerned should apply for the extension of time limit within the permissible period of one month and seek permission for retaining the advance for a further period which should be specified. Each such request should be supported by a letter from the dealer concerned indicating the probable period of supply and will be considered on its own merits.

3. The Finance (Code Revision) Department will incorporate the instructions contained in this order in the code.
