ORDER

ACCORDING to the existing orders, persons recruited to a district on district-wise basis on their option, cannot be transferred to another district except for administrative reasons and the concessions granted in the G.O, second cited are not available to them. There are persons in the lower grade posts who have been advised by the Commission for appointment to Head quarters vacancies in Trivandrum under the scheme of rotation without recording their willingness. The existing restrictions in the matter of transfer deny them opportunities to get transfer even to the districts to which they were recruited.

2. Government have examined the case of such persons in consultation with the Public Service Commission. As the main reason for district-wise recruitment to lower grade posts is to ensure that persons with low salaries are posted near their homes, Government feel that these persons have genuine case for transfer to the district of their option in accordance with the terms of mutual and inter departmental transfers and they are, therefore, pleased to order in relaxation of the existing restrictions that persons holding lower grade posts who were recruited to Head quarters vacancies under he scheme of rotation without recording their willingness to be appointed in Trivandrum may be transferred to the districts of their option according to term of G.O. MS.No.4/Public date 2.1.1961.
