

Copy of Letter No. 23414/79 dated 11.5.1979 from the Chief Conservator of Forests, Trivandrum to the Conservator of Forests, Central Circle, Trichur.

Sub: Establishment transfer and postings of Foresters and Forest Guards-orders Issued

It is seen that there are a number Guards and Forests who have been working in the same station for ears together. Similarly certain Foresters and guards are working in the Vigilance wing even since the formation of the wing. It si high time that such Foresters and Guards are shifted from their present stations. Each such case has to be examined and necessary transfer orders issued during the course of this month. It is not proposed to lay out any specific period for such transfers. The Conservator of Forests/ Addl. Chief Conservator of Forests will, however, use their discretion and affect the transfers so that it can have a good impact on the general administration of the Beats sections and Flying Squads. In the case of the Vigilance wing, the Additional Chief Conservator of Forests will consult the Conservator of Forests concerned and issue necessary orders. This should be treated as very urgent.
