The existing delegation of powers to Forest Officers in respect of sanctions to works (including plantation silviculture works and C) does not provide for powers to the Chief Conservator of Forests, Conservators of Forest and divisional Forest Officers, specifying the monetary limits up to which they can accord administrative sanction as distinguished from technical sanction for such works. Government considered that powers to various officers in the Forest Department to accord administrative sanctions, the officers concerned may accord administrative sanction for each work before the work is actually taken up. They therefore order that the following officers of the Forest department be delegated with the powers noted against each for according administrative sanction for silvicultural works.

1. Divisional Forest Officers           Up to Rs. 5000/
2. Conservators of Forests           Up to Rs 25000/-
3. Chief Conservator of Forests Full powers.
