Circular

Sub: Establishment – Land Reforms – Surplus Class IV. Staff – absorption – availability of vacancies report – reg.

Ref: Govt. letter No. 116287/SC.78/GAD dt. 2-9-1978 addressed to all Heads of Department

.....

All the Heads of Department have been directed in Government letter cited that all the vacancies in the categories noted in the letter should be reported to Government promptly. Now almost all the staff except those under class IV service rendered surplus in the Land Reforms have been regularly absorbed in other Departments. But some persons who are in the class IV service are waiting absorption.

The vacancies so far reported will not be sufficient to provide the all. Therefore, all the Heads of Departments are once again requested to report all the existing vacancies and future vacancies under Class IV Service indicating the places and District where vacancies are available to Government immediately.

The Heads of Department who have already reported vacancies need only report fresh vacancies to Government.
