

Copy of Chief Conservator's Memorandum No.C2-8068-64 dated 18/23-3-1964 to the Conservator of Forests, Chalakudy.

=====

Sub:- Disposal of residual growth – Kallar colony Block I –

Ref:- Kt-19177/62 dated 29-2-1964 from the Conservator of Forests, Chalakudy.

The Conservator of Forests has been given full powers to award a contract and as such there cannot be any question of referring the matter to Government. It is only the Conservator of Forests who can judge the merits or otherwise of an offer, the possibility of getting a better price in a re-auction etc. Invariably as a practice it may be advisable to try at least one resale before accepting an offer below the fair price provided the Conservator of Forests is confident that we can get better prices. The Conservator of Forests should take a decision analysing all facts of the case.
