Government consider that it would be better to have a to me limit prescribed in future in the tender for acceptance to avoid controversy about the time factor in each case. A clause will therefore be inserted in the tender to the effect "the tender is liable to the accepted at any time within the period of 3 months and that if it is not accepted within this period it shall be deemed to have been rejected by the Government. No claim whatsoever shall lie against Government for the non- acceptance or rejection of the tender on any ground". The duration of the period will be fixed by the Chief Conservator of forests.
