CIRCULAR No.TB.4/66

=====

Sub :- Cement recovery rate revision of schedule of rates.

=====

The cost of cement at factory and in the open market has gone high due to decontrol. The schedule of rates provide only to Rs. 150/- tonne.

In view of the above the schedule rate for portland cement is fixed at Rs.180/- per tonne against Rs.150/- tonne now provided in the schedule. The recovery rate for the cement issued to the contractors for work is also revised to the above rate.

The revised rate will take effect from 1-9-1966. For works already sanctioned, or tendered or agreed to the existing rates will be effective without revision.

Sd/- For Chief Engineer.
