

Copy of Letter No. D1-3754/71 dt 20-3-1973

From Chief Conservator of Forests, Trivandrum the Secretary to Government
Agriculture (Forest General) Department Trivandrum.

Sub:- Forest- Forest land 2.45 hectares of land in Palghat Division for allotment to
The National Highway Department. The amount towards compensation land
value etc. Healsing from P.W.D. regarding.

I have to state that the plantation can be clear felled and produce sold. The
difference between the cost of formation plus maintenance and the sale value is the
amount to be written off. In that case only the land value need be recorded from the
Public Work Department.

Hence, I may also point out that the Governments stand is correct and I also
agree with the above view of the Government.

Yours faithfully,
