

Copy of Chief Conservator's CIRCULAR No.16/65 on No. C3-15117/65 dated 2.11.1965 to all Divisional Forest officers and copies to all Conservators of Forests, etc, etc,

Sub:- Forests – Nempara Division – Sungham Range – Survey and demarcation and enumeration of keorapady coupe XXIX – 1962-63 -regarding -

It is seen that the Range Officers and Divisional Forest Officers are in the habit of undertaking various items of work without proper estimate sanction and sanction from competent authorities and submitting memo of costs for sanction after a Lapse of two or three years. This practice should be dispensed with. Each and every time this office has to address Government for obtaining sanction for the memo of cost as Government is the only authority competent to sanction the same and Government are not pleased in the submission of such memo of costs.

The Divisional Forest Officers are therefore informed that under no circumstances works should be undertaken without proper sanction from competent authorities.

M.P.George,
Chief Conservator of Forests.
