Sub: Physical verification of stock in Depots & Ranges - Instructions issued.

Physical verification of stock in Depots & Ranges was being conducted by the territorial Divl. Forest Officers. Consequent on the formation of Timber Sales Divisions, the timber Depots have been functioning under the administrative control of Divl. Forest Officers, Timber Sales Divns. Therefore, it is not proper to get the work of verification of stock in Depots done by territorial Divl. Forest Officers. Moreover, annual stock verification certificate due to the Accountant-General is to be submitted by the officer under whom the stock is maintained. Therefore, the responsibility of physical verification of stock is fixed on the Divl. Forest Officers, under whose control the stock of timber, etc. is vested.

The receipt of the Circular may be acknowledged.
