planting undertaken - action of Conservator

and 9-3-1971.

Orders ratifying the action of the Conser-
vator of Forests is being issued separately.
However, I am directed to request you to direct
your subordinates not to venture to take up
works not included in the Plan of operations,
as in the instant case, without specific sanction
from competent authority. Whatever may be
the spirit behind this work, it may appear
curious that a work not included in the plan
of operation has been brought to the notice
of Government for ratification only in 1970-71
Why this fact was not reported in 1968-69 it-
self or at least in the succeeding year is not
clear. I am directed to request you to see that
such things do not recur.
