GENERAL ADMINISTRATION (EMPLOYMENT CELL-A) DEPARTMENT

G.O. (MS) 268/92/GAD.

Dated, Trivandrum, 15.7.1992.

Read: G.O.(MS) 271/73/PD. Dated 12.10.1973.

ORDER

In the Government order read above Government have issued orders for conducting annual review of representation of scheduled Castes/Scheduled Tribes in all departments as on the 1st January of every year, based on the suggestion of the public Service Commission that it would not be practicable to conduct special recruitment to compensate the reduction in the number of Scheduled Caste/Scheduled Tribe candidates, consequent on promotions, relief, retirement etc. of the Scheduled Caste/Scheduled Tribe personnel in service, and that special recruitment may be conducted once in a year for the posts of Scheduled Castes/Scheduled Tribes after watching the strength of officers in each department as on the 1st January if every year.

Based on the above orders, Government have so far taken the stand that a post vacated by a special recruitment candidate need not be filled up by the next candidate in the rank list prepared for the particular post under the scheme.

Government have since examined the matter further and are pleased to order that whenever rank list is in force for selection under special recruitment, posts vacated by candidates appointed under special recruitment owing to resignation, relief or other wise, will be filled up by advising the next candidate in the same rank list. However if there is no rank list for special recruitment in force such vacancies will be filled up otherwise and special recruitment will be conducted only on the basis of the position emerging in the annual review conducted as on the first of January next year.

The Government Order read above stands modified to this extent.
