ORDER

The following shall be introduced as a Government decision under Rule 13
K.S.R, Part I:-

Government Decision No. 2/63

The question of laying down appropriate rules to govern the Medical Examination of Candidates recruited to Government service was considered by Government. After taking into account all the relevant aspects of the question, the following rules have been laid down in this behalf.

1. Normally a candidate should be medically examined before his first appointment. In certain cases, however, when a candidate is required to join immediately for obtaining the medical certificate, though the appointment should be subject to the officers being declared medically fit. In all such cases if an officer is declared unfit on medical examination and he prefers an appeal he should be retained in service till the case is finally decided.

2. Similarly, in the case of a Government Servant whose appointment is made on a temporary basis on the strength of a medical certificate issued by a lower authority or without such a certificate, it may be necessary to get a certificate of fitness from the appropriate medical authority. If the appropriate medical authority finds that the person is not fit for retention in service at all and if an appeal for a second medical examination from the Government Servant concerned is accepted, the person concerned should be allowed to continue in service till the verdict of appropriate medical authority is known. In case it is decided not to accede to the request for further medical examination, the services of the officer should be terminated forthwith.

3. The intimation regarding unfitness of a candidate should immediately on receipt be communicated to the person concerned with a note that appeal if any, must be

made by the candidate/ Government servant concerned within one month of the communication of the finding of the Medical Officer and that if any Medical Certificate is produced as piece of evidence about the possibility of an error of judgment in the decision of the Medical Officer who examined him, in the first instance, the certificate must contain a note by the Medical Officer concerned to the effect that it has been given in full knowledge of the fact that the candidate has already been rejected as unfit for service by a Medical Officer.

4. In case no appeal (with requisite evidence in support of his case) is preferred by the candidate/Government Servant within one month of the date of communication to him of the findings of the Medical Officer, his services should be terminated forthwith on the expiry of the period of one month and ordinarily no appeal should be allowed after the expiry of that period.

5. In case where a Government Servant or a Candidate for Government Service is declared unfit for retention in Government Service or appointment in the government service by a Medical Officer, the grounds for rejection may be communicated to him in broad terms without giving minute details regarding the defects pointed out by the Medical Officer. Cases where the grounds of rejection have not been clearly stated by the Medical Officer in his report may be referred to the government for advice.

6. For the first Medical Examination of the candidate/Government servant as well as the subsequent examinations found necessary by the appointing authority on account of an appeal, the appointing authority shall give suitable requisition to the Medical Officer concerned.

7. No appeal shall lie against the adverse findings of a Medical Officer to whom the case is referred on appeal

Note: 1. Certificate of physical fitness for entry into government Service should always be from Medical Practitioners of Modern Medicine or from the Director of Indigenous Medicine.

2. The Medical Authority who is to issue a medical certificate a second time on appeal shall be of a higher status than the other who issued the first medical certificate

3. When final certificates has been issued either by the Director of Health Services, or by the director of Indigenous Medicines that certificate will be final and no appeal will be permitted [vide G.O. (P) 1034/61 Pub. (Ser.D) dated 2-12-1961 and G.O (P) 570/62/Pub. (Ser.D) dated 25-10-1962]
