An instance has come to the notice of the Government where in a Medical graduate who has contractual obligation to the State Government to serve the State government for a specified period, has left for a foreign country without either fulfilling the obligation or obtaining Government sanction.

2. The Government of India when consulted as to how a pass-port was issued to the individual without consulting the State Government have informed that the particulars furnished by all applicants including Government servants are verified by local inquiries before passport facilities are extended. Therefore, the local inquiry through the /district Magistrate will bring out of a Doctor suppresses the fact in his passport application of being employed by the state Government. They have also informed that the local inquiry under the present rules is dispensed with when an applicant (including a Medical doctor) furnishes a certificate of verification from a senior Government Officer. A Doctor employed in the State government who does not mention in his application anything about his employment with the government will be detected as no Government Officer will grant an incorrect certificate, and if he does the responsibility will be his.

3. Under the liberalized rules the local enquiry prior to the issue of a passport is dispensed with in another circumstances also namely where an applicant (including a Doctor) furnishes a sworn affidaxit that the particulars furnished by him in his application are correct. Post- Verification is however done after the issue of passport. If during post-verification detected that the applicant had suppressed the fact of his employment under the State Government the passport will be with drawn in addition to and without prejudice to any other action which may taken against him under law.

4. Eventhough the above mentioned procedure might appear to ensure adequate check, government are pleased to issue the Following further instructions to prevent tío issue the following further instructions to prevent Medical officers/ Graduates who have contractual obligations with government from obtaining pass-ports surreptously:-

(i) All Medical men should route their application through the State Government.

(ii) The Deputy Superintendent of Police will arrange for thorough security of the Applications for passports submitted by Medical Officers to bring out whether the Medical Officer/ Graduates are under the employ of government or having any obligations towards the State Government.

5. Government are also pleased to inform all government Officials who sign certificates of verification and all Judges who provide on affidavit, to carefully verify whether the Officers who is granted a certificate is a Government employee or having any contractual obligation to government, and if so to make it clear in the Certificate.
