Names of those officers who have already been promoted will be removed from the 'select list' and the rest of the names along with those officers who may now be included in the field of choice, will be considered for the 'select list' for the subsequent period. A person included in an earlier 'select list' however, will be ranked above a person considered for a subsequent list, unless his conduct and work subsequent to such inclusion renders it necessary that he should be placed lower in the list or omitted from the list, if there is definite deterioration in the work and conduct of the officer subsequent to his inclusion in the select list 'for the previous year.'"
