ORDER

In the G.O read as first above, Government have directed that as far as possible and subject to restrictions in the rules of recruitment regarding inter-district transfers, an employee belonging to scheduled caste/scheduled tribe may be given posting in his native place or in the district of his choice. Whenever such posting is not possible on administrative reason and is posted to another place or district he may be given transfer to his native place of the district of his choice as and when vacancy arises.

2. In the letter read fourth above, the Chairman, Palghat Development Authority and Advisor to Government on Tribal Development, Palghat has brought to notice of Government that several tribal people who got appointment in public service have been posted in vacancies away from the tribal areas leaving vacancies in the tribal areas unfilled for want of willing hands. He has also pointed out that posting of tribal employees in the vacancies in their native tribal areas will fulfill many useful objectives.

3. Government, after having examined the matter, are pleased to order that the vacancies in the tribal areas should be filled up to the extent possible by employees belonging to scheduled tribes, preferably native in the area of posting.
