Read:- 1. Government letter No.18866/F1/81/AD dated 26-8-82

2. Letter No.C1-10669/84 dated 9/16-5-84 from the Chief Conservator of Forests.

O R D E R

In the letter read as first paper, Government have instructed the Chief Conservator of Forests to examine the question of enhancing the penalty so as to discourage the contractors from leaving the marked trees in difficult and remote localities unfelled and submit necessary proposals to Government for sanction, if found necessary. The Chief Conservator of Forests after examining

the question in detail, has now suggested that the time may be enhanced from Rs.100/- to Rs.200/- per tree left unfelled in supply coupes in future. He has therefore requested Government sanction enhancing the penalty for unfelled marked trees as suggested by him.

2. Government accept the suggestion of the Chief Conservator of Forests and they order that the penalty (fine) will be enhanced from Rs.100/- to Rs.200/- per tree left unfelled in supply coupes in future.
