Name of Coupe	Extent Hectares	Departmental Valuation	Amount fetched	Name of the highest bidder

The prices fetched for the above coupes are such higher than the departmental valuation. It is reported by the Divl. Forest Officer that altogether 50 persons deposited earnest money and participated in the sale and there was keen competition among the bidders in the sale and the prices fetched are good and hence he has recommended to confirm the sales in the name of the highest bidders.

Having convinced myself that there was wide publicity for the sale, keen competition among the bidder and the prices fetched are above the departmental valuation and advantageous to Government.
