

Copy of letter No.nil dated 8-11-71 from the Chief Conservator of Forests, Trivandrum to the Conservator of Forests, Trichur.

CIRCULAR NO.30/71

Sub:- Auction sale of export size quality and size Rosewood logs and other classes of Rosewood logs –

Ref:- Auction sale of export quality and size Rosewood logs at Medical and Ernakulam depots on 27-12-63 and 28-12-1968.

The export size/quality Rosewood logs are generally notified for sale along with the regular auction sales in the depots with a view to attract more bidders. The exporters are interested in smaller size logs also and hence it is advantageous to mention in the notification smaller size Rosewood too. In exceptional cases the sale dates of export size/quality Rosewood logs will have to be fixed on convenient separate dates so as not to lose the freshness of the timber etc. The present practice of selling II and III class Rosewood logs also along with the export size/quality Rosewood logs should be continued and the sale of rosewood and III class should not be conducted in regular auction called without special notification about the sale of export size/quality logs.

Sd/- for Chief Conservator of Forests.

Copy to all Conservator of Forests, & Divl. Forest Officers for information and attention.
