ORDER

In the G.O. read above, the procedure to be followed in the matter of receiving value and sales tax of teakwood poles supplied to the Electricity Board by the Forest Department was ordered, among other things. This procedure is not fully acceptable to the Electricity Board. After having considered the matter again in all its aspects, Government are pleased to order as follows:-

The Division Officers of the Electricity Board will issue to the Forest Department one cheque for the value plus sales tax of the poles supplied to the Board. The Forest Department, on receipt of the cheque from the Board will remit the amount of the cheque into the Treasury under "Forest Remittance" by per contra credit to "Forest Revenue" under the final Head concerned and "Sales Tax" under "Miscellaneous Head of Account" in the Division account supported by Schedule for the credit under Miscellaneous Head of Account. The adjustment of the sales tax to the Sales Tax Department will be made by the Office of the Accountant General in respect of the monthly accounts. The necessity of getting sales tax chalans countersigned by the Sales Tax Officers does not arise in following this procedure.

A copy of the Schedule mentioned above will however be forwarded to the concerned Sales Tax Officer by the Forest Department for his information and to facilitate reconciliation.
