I am the Manager of Sri. Nandanar Cottage Industries Centre doing bamboo works, cane works etc., for the past several years. Some 100 persons are doing the work under me. Previously I was getting bamboos and canes sufficient for the working of the centre. But for the past few months I am not getting these raw materials and my industry is suffering hard.

Even though certificate has been issued by the District Industries Officer, Kottayam for the issue of pass for 200 rattan, 500 bamboos and 2000 canes, the Forest Department has not issued any pass. I am put to the supply of the above items.
