2. G.O. (Ms) No.240/78/AD dt. 6.9.1978
3. G.O. (Ms) No.436/80/AD dt.15.11.1980
4. Letter No.P3.26346/80, dated 23.13.1980 from the chief Conservator of Forests

Order

As per the rate for loading of timber logs and poles fixed in the scheduled items Nos.135 and 136 (a) of the Government order read above two skilled Mazdoors were allowed to load 100 sft. Of timber and one ordinary mazdoor to unload the same. Government have subsequently revised the rate for timber loading in the Government order second cited at Rs.8/- per cum. And for unloading at Rs.2/- per cum. Enhancing the labour rate of all the classes of labourers by 50% above what is given in the forest minimum wages notification No.7899/E1/LBR dated 1.4.1974.

2. The Chief Conservator of Forests has pointed out the Government that usually the rates are fixed giving the number of mazdoors (skilled or otherwise) required for a job but in Government order read as second paper the rates have been fixed per cum. In items of the rupees and not in terms of number of mazdoors. Because of this the Chief Conservator of Forests has raised clarification as to whether the enhancement ordered in the Government order read as third paper can be made applicable to timber loading and unloading work. The Chief Conservator of Forests has requested Government to issue orders clarifying that the timber loading two skilled mazdoors wage for every 100 cft. As per forest schedule item read as 3rd paper will be allowed and similarly for unloading one ordinary mazdoor for every 100 cft. Vide item 136(a) of forest schedule will be allowed.

3. Government are pleased to accept the above proposal of the Chief Conservator of Forests and order accordingly.
