The action of the Conservator of Forests, Chalakudy in having granted extension of time after the expiry of the contract period even inspite of the specific order issued in Memorandum No. 21909/F1/62/ Agri. Dated 9-11-62 is highly irregular. The Conservator of Forests will be warned against repetition of this irregularity.

Since the extension has already been granted the action of the Conservator of Forests is ratified .

In the cases of late application for extension of contract period, the Chief Conservator of Forests is informed that the contractors should be specifically told that belated applications for extension will not be considered. His proposal for delegation of powers to the Chief Conservator of Forests , Conservator of the Forests and the Divl. Forest officer to grant extension of period after the expiry of the contract period is declined. He will follow the terms of the agreement and the standing order on those matters scrupulously.
