Sub:- Forest land allotment to Esbel products request for .

Ref:- Govt. Letter No. FE3-51538/66/Agri. Dated 25-10-66 12-12-66 and this office letter on even No. dated 21-12-66

In continuation of this office letter cited above, I have to state that the request of the petitioner is for the allotment of 3,000 acres of land close to the forest for the implementation of scheme proposed in his letter dated 1-9-66 addressed to the Hon. Minister for Industries (Manubhaisha Esq).

The existing area of the reserve forests in the State are quite inadequate to meet the essential requirements of the nation. In the circumstances, this department is not in a position to recommend to spare even an inch of forest land for any purpose however landable the object may be.

In view of the above position, on forest land can be allotted to the firm from this state.
