

Copy of the letter No. D1. 29294/73. dated 29-12-73 from the Chief Conservator of Forests, Trivandrum to the Secretary to Government, Agricultural (Forest General) Department, Trivandrum.

Sub:- Forest land - Trichur Circle land on lease to India posts and Telegraphs Department for Installing Microwave Repeater Station.

Ref:- 1. No. 57151/FG2/73/Ad dt. 23-10-73.
2. No.D1.29294/73 dt 8-10-73.

In my letter under reference I have recommended to allot the sites for microwave Towers on lease to the Postal and Telegraph Department. As these sites are within the Reserved Forests and the approach read to these sites may have to be used by the Forest Department also. It is better to lease them out instead of transferring them to that Department.

There is no objection in permitting them to construct the approach reads. The Conservator of Forests Trichur has already permitted the post and Telegraph Department to construct the approach read to the site AreawaramKunnu in Chalakudy Divn. They went permission immediately for the construction of the approach read to the site at Nellikunnu else. In view of the urgency I am directions the Conservator of Forests to permit of the sanction from Government. I request that sanction may kindly be accorded for leasing out the sites and approaches reads to the Postal Department on lease. The action of the Conservator of Forests and the Chief Conservator of Forests in having permitted the Department for starting their work may be ratified

Yours faithfully,
Sd/-
For Chief Conservator of Forests.

To
