### ORDER

In the Government order has been as first paper above sanction was accorded for handing over the forest land extending about 220 acres in the F.I.T area Kanimangalam sanctioned to be allotted to the plantation Co- operative Society Limited No. 4103 Kothamangalam for cashew cultivation in the area referred to there in to Revenue Department. It has been reported to Government that, even though the land had been leased out to the Society, They had not made use of the land for which it was leased out to the society but instead the society had entrusted the land to one Sri. Manjaly Thomas for tapioca cultivation who in turn had divided the lands into block and sub let the plots to certain cultivators. Now the land is full of encroachment and valuable improvements have been made by them. It was Imported that the financial position of the Society is to Government to allot the land in question to the occupants under the provisions of the Kerala Land Assignment rules.

Government had examined the question in detail and they are pleased to cancel orders issued in the Government order read above and the Land referred to above will be dissevered and transferred to the Revenue Department for assignment as per Kerala Land Assignment rules.
