2. D.O. Letter dt. 3-8-70 from the Conservator of Forests, Trichur.

In the letter read as first paper cited, the Conservator of Forests, Trichur has stated that it is reported by the Divl. Forest Officer, Munnar, that the Range Officer Adimali has already obtained sanction from the court to remove the thondy black wood logs involved in the above case from site and to keep it at the Range office compound till the case is disposed of as it is too risky to keep the thondy at site, since smuggling is feared. The Divisional Forest Officer sanctioned an estimate for Rs.250/- and requested orders for working down the thondy logs to the Range office compound departmentally. Accordingly the Conservator of Forests, Trichur has issued orders to the Divl. Forest Officer for working down the same to the Range office compound departmentally in anticipation of sanction limiting the expenditure to the sanctioned schedule of rates and now requests orders ratifying the action taken in the matter.

In the circumstances reported by the Conservator of Forests, Trichur action taken by the Conservator of Forests is ratified and formal sanction is accorded to undertake the work departmentally, the estimated cost of Rs.250/- limiting the expenditure within the sanctioned schedule of rates for works, provided that the work will be profitable to Government.
