

Copy of Circular No.25/73 on C1-30225/73 dt. 15-3-'73 from the Chief Conservator of Forests to all Sub-Officers.

Sub:- Deterioration of thondy logs – Teak and Fire wood immediate action for Disposal - Instruction issued.

It is noticed that the thondy involved in various Forest offences are pending disposal for long and that they are getting deteriorated. Immediate action should be taken up to dispose of the thondy in public auction. In respect of thondy involved in cases pending trial before the court action should be taken to sell them by this Department after taking proper sanction from the Court. Particular care should be taken to prevent deterioration of Teak and Rose wood logs involved in offences. Sound logs of Teak and Rose wood should be worked down to the Depots.

Sd/- for Chief Conservator of Forests.
