Sub:- Forests – Teak seeds – Collection – Enhancement of rate – Sanctioned.

Ref:- Letter No.B2-3042/62 dated 01-01-1963 from the Chief Conservator of Forests.

The proposal to enhance the rate of collection charges for teak seeds was put up by the Chief Conservator of Forests on the basis of a report from the Conservator of Forests, Kozhikode, in which a reference is made to the State of affairs in the Nilambur Division. The Chief Conservator of Forests has since clarified that the seed collection is to be made from all the forests of the State and that the enhanced rate has to be sanctioned for seed collection in all the Divisions. It is necessary that when such proposals are put up to Government for sanction it should be supported by clear and complete data.

However, sanction is accorded for the enhanced rate of Rs.20/- per 100 lbs. for the collection of teak seeds required to meet the demands from outside the State, provided the cost of collection of teak seeds at the enhanced rate is fully recovered from those to whom supply is made.

Endt. On B2-3042/62 dt. 14-3/16-4-1963.

Copy forwarded to the Conservator of forests, Kozhikode for strict attention. The cost of collection should not go above 20np per lb. at any cost.
