 2. G.O.Rt.2901/67/Agri dated 17-10-67

ORDER

The Chief Conservator of Forests has reported that under item 125, 126 and 127 of the schedule of rates sanctioned in the Government Order first cited the quantity of labour has not been specifically provided under column 3. This has created technical difficulty in applying the revision effected from time to time in respect of the labour rates.

2. The labour rates as sanctioned in the Government Order read as 2nd paper is Rs.3/- plus local allowance and rate per it ought to be $30 \times 3 = \text{Rs.90/-}$ plus the local allowance wherever admissible. From 1967-68 onwards the subordinates were claiming this enhancement on this is the minimum that is required for the work. The Chief Conservator of Forests has reported that this enhanced rate was held under objection because of the non-inclusion of the number of labour under column 3 of the schedule. In the above circumstances sanction is accorded to include the number of labour in column 3 against items 125, 126 and 127 in the schedule to the Government Order as 30, 25 and $17 \frac{1}{2}$ respectively so that the enhancement as ordered in G.O.Rt.2901/67/Agri. Dated 17-10-67 be made applicable in respect of these items also and the claims which have been objected to in the audit be regularized.
