– Discontinuance of – Instructions issued.

An instances has been brought to the notice of Govt. wherein an Asst: Public Prosecutor and a Sub Inspector of Police have made use of the attested copy of the Judgement in a case for correspondance, opinion, directions etc. in emergent cases, the attested copy of the judgement can be made use of for filing of appeals in case the copy is legible. In the instance case, as there has been delay on the part of officers is getting a certified copy of the judgement, the attested copy could have been used for filing or appeal, but owing to the careless use of the Judgement for correspondance, opinion and directions by the Officers concerned, it was rendered unfit for filing of appeal.
