

Copy of Government of Kerala - Agriculture Department - Forest, Memorandum No.66685/63/62-4/AD dated 15-11-'63.

Forests – Extraction of timber from Coupe XV. Choodel F.S. Thenmala Range – Agreement with Shri. G., John payment of penalty – Weiver of regarding.

The Chief Conservator of Forests is, however, informed that requests for relaxations of conditions in the agreement has becine a regular feature in the forest Department. Of course, Government may have to relax conditions of the agreement in one or two deserving cases; but such relaxation should not become a regular feature. The contractors are fully aware of the conditions of the agreement atthe time of executing the agreement. When once the agreement is executed it is the primary responsibility and duty of the departmental officers to see that the conditions therein are fully satisfied to the best interest of the Government. If this is not followed strictly, there is no meaning in executing agreements. The Chief Conservator of Forests is requested to bear this in mind at least in future.
