I am to inform you that clause (f) of Article 10, Schedule II of the Kerala Court Fees and Suits valuation Act applies only to extension of leases, It does not apply to other types of instruments.

The court fee leviable under this provision is based on the value of the subject matter of the lease, that is the value of the original lease. Where an extension of time is sought for, it is the original lease that is extended. Court fee at the rates specified in Clause (f) mentioned above will have to be paid on the value of the subject matter of the original lease.
