

GOVERNMENT OF KERALA

Law (Inspection Wing) Department

CIRCULAR

No.18447/B4/88/Law

Dated, Trivandrum, 05-12-1988.

The High Court in its interim order dated the 17th October, 1988, in O.P.No.8517 of 1986-L has made certain observations regarding the slackness and default on the part of the officers concerned in the preparation and filing of proper affidavit in the said case. The Court viewed the matter seriously. Government consider that this is not an isolated incident. There are complaints that some officers of Government do not take sufficient care in the conduct of Government cases. There are also instances of such complaints against Government Law Officers. Necessary care and alertness is not often shown by them in the conduct of Government cases. Such attitude and conduct often result in loss to the State exchequer.

2. Government view the situation seriously and hereby bring to the notice of all concerned that whenever, loss is caused to the Government due to any of the act as mentioned above the liability for such loss shall be fixed against the Officer(s) responsible for the loss and the loss made good from him/them.

S.NARAYANASWAMI,
Chief Secretary.
