ORDER ON C3-33179/64. DATED 04-11-1965

It has been reported by the Conservator of Forests that the work of dragging of poles etc. upto road side, obtained from the thinning made in the Plantations is being done Departmentally presuming the same also as Silvicultural as this work within the Plantation cannot be entrusted to contractors in the interest of the Departmental Plantations. But so far, this item of work has not been specifically included in the definition of Silvicultural works referred to in item No.16(ii) of G.O.Ms.No.698/4-7-1958.

Under the circumstances explained by the Conservator of Forests, the work of dragging of poles etc. obtained from the thinning of plantations up to the nearest roadside or dumping site is also ordered to be considered as silvicultural work.
