According to G.O.Rt.234/67/Agri. Dt. 01-02-67 advertisements charges for notification in gazette for retenders or reauctions have to be recovered from the parties responsible for such reauctions or retenders.

The Chief Conservator of Forests in his letter read above has reported that the Superintendent of Government Presses has claimed such charges as due to the Presses. In the case of refortification other than in the gazette, the cost of such advertisements are recovered from the defaulters and credited to Forest Revenue.

Government hold the view that advertisements charges for notification of retender or reauction should be credited to the Forest Revenue by realizing it from the defaulting bidder or tendered as the case may be, and they order accordingly.
